Rare Disease Legislative Advocates (RDLA) is a program of the EveryLife Foundation for Rare Diseases created to support the advocacy of all rare disease patients and organizations. RDLA provides free resources, tools and events for patients, caregivers and organizations. RDLA is committed to growing the patient advocacy community and working collaboratively, thereby amplifying the patient voice to be heard by local, state and federal policy makers. For additional information on this scorecard and RDLA, contact Shannon von Felden, RDLA Program Manager, at svonfelden@everylifefoundation.org.
